

Your Body Your Breasts

Episode 8: Sleep and EMF's

JOURNAL YOUR JOURNEY

How well do you sleep? Are you aware of what contributes to you enjoying a good night's sleep?

Do you have a nighttime or bedtime routine? If not, how can you wind yourself down an hour before bed? Write out your ideas so you can put them into practice.

What contributes or inhibits a good night's sleep for you?

Are you in front of a "Screen" when you fall asleep? If so, how can you minimize screen time before bed?

What telepathic experiences have you had in your life?

Are you aware that your thoughts transfer to others? Bring your awareness to this and begin looking for evidence that you can do this. Write about it here.

How can you begin to bring love into your thoughts? Write out some ideas and practice them as often as you can. Bringing love into your thoughts is so powerful and so healing!
