

Your Body Your Breasts

Episode 11: Clear Your Communication Pathways

JOURNAL YOUR JOURNEY

Tune into your body and ask, "Do I have chronic neck tension and if so, what do I do to relieve it?"

Which of the tension tamers can I do easily a few times a day? How will I incorporate them and remind myself to do them?

Do you shine your light easily or become dim when conflict arises? Why do you think that is? What is the fear? Where does that fear come from?

What is your favorite color of the rainbow? Write about that color and how it makes you feel. Let that color be your glow today.

What does it mean to you when I say that it's important for you to speak your truth? What's the difference between speaking your truth from your mind vs. your heart?

Notes from The 3 Fphs

Notes from Mind Food

Notes from Your Emotional Brew

After watching this episode, how does your mindset about your body's communication pathways need to shift? And how will this shift improve your health?
